ST. CLOUD, MN – Coborn's Inc. is excited to announce a new House of Pizza restaurant coming soon to the Coborn's location on Pine Cone Road in Sartell. The full-service restaurant will offer in-store dining, take-out and delivery, featuring the same hot, fresh gourmet pizza that has been a local "House" favorite since 1964.

"We're delighted to bring House of Pizza to our customers and honored to work alongside the local House of Pizza team, who have been pillars of our community for many years," said Dennis Host, senior vice president of marketing and communications for Coborn's Inc. "This collaboration allows our guests to enjoy the same fresh, high-quality pizza they know and love, paired with the convenience of a location inside our grocery store. It brings in-store dining and grocery shopping together for maximum convenience for our guests."

"House of Pizza and Coborn's on Pine Cone Road have been neighbors for 21 years, so we are extremely excited to be coming back to Sartell and become an anchor and gathering place for the community once again," said Brandon Testa, owner of House of Pizza. "We're thrilled for the opportunity to continue growing together and to share a space where guests can enjoy great food—whether dining in or taking it home." He added, "We are very excited to partner with Coborn's who has a long local legacy as a respected business and as a community partner, to bring House of Pizza back to Sartell."

The new House of Pizza restaurant is expected to open inside Coborn's on Pine Cone Road in Sartell in early 2026. Guests can look forward to enjoying many of the signature House of Pizza favorites from the west St. Cloud location again in Sartell.
