

Material Safety Data Sheet

I PRODUCT IDENTIFICATION

COMMON/TRADE NAME: **Eye Wash #4417**

ISSUE DATE: 05/31/20

HEALTH	0
FIRE	0
REACTIVITY	0
PERSONAL HEALTH	0

Manufacturer: Maison de Navar

7301 Ranch Rd 620 N, ste 155-365
Austin, TX 78726

Emergency Phone #
800-222-1222

MSDS PREPARED BY
Fermin Navar

SUPPLIER: As above

PRODUCT USE: Antifungal antibacterial mixture/ blend

2. HAZARDOUS IDENTIFICATION

This material is hazardous according to OSHA Hazards Communication Standard, 29 CFR 1910.1200.

Hazard Category: Target Organ Effect, Harmful by ingestion. Harmful by skin absorption, Irritant, May cause corrosive burns if left on skin.

Risk Phrase(s): Non Flammable.

Safety Phrase(s): S2 – Keep out of reach of children

Precautionary statement(s)

P210 Keep away from heat/sparks/open flames/hot surfaces. -

3. COMPOSITION/ INFORMATION ON INGREDIENTS

Appearance is white/ off white liquid.

II. INGREDIENTS		
Hazardous Per OSHA	%	CAS Number
Benzalkonium Chloride	.01% -.04	8001-54-5
Water	90% - 99 %	7732-18-5
Sodium Chloride	0.1%b – 3.0%	7647-14-5
Glycerin	0.1% - 4.0%	56-81-5

Ingredients: Aqua, Glycerin, Sodium Chloride, Benzalkonium Chloride

Components are generally considered a trade secret and are not disclosed under terms of OSHA 29CFR 1910.1200. We are however disclosing to client for their internal knowledge.

Such components may be disclosed under emergency conditions to health professionals, if necessary.

Other ingredients, however, are essentially non-hazardous. **ALL INGREDIENTS ARE IN TSCA INVENTORY and are GRAS Status under FDA. GRAS stands for Generally recognized as safe.**

"GRAS" is an acronym for the phrase **Generally Recognized As Safe**. Under sections 201(s) and 409 of the Federal Food, Drug, and Cosmetic Act (the Act), any substance that is intentionally added to food is a food additive, that is subject to premarket review and approval by FDA, unless the substance is generally recognized, among qualified experts, as having been adequately shown to be safe under the conditions of its intended use, or unless the use of the substance is otherwise excepted from the definition of a food additive.

4. FIRST AID MEASURES

If poisoning occurs, contact a doctor or Poisons Information Centre 800-222-1222

Inhalation: Prolonged exposure may cause serious irritation

Ingestion: Low toxicity Seek medical advice. Do not induce vomiting.

Skin contact: Prolonged contact may cause skin irritation with local redness.

Eye contact: May cause severe eye irritation. May cause severe corneal injury.

Notes to physician: Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician.

5. FIRE FIGHTING MEASURES

Fire fighting further advice: Fight fire from maximum distance possible or from protected area. Wear self contained breathing apparatus and protective clothing. Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

Suitable extinguishing media: Foam or dry powder

6. ACCIDENTAL RELEASE MEASURES

Small Spills Prevent further leakage or spillage if safe to do so. Do not let product enter drains. Discharge into the environment must be avoided.

Large Spills Contain spillage, and then collect with an electrically protected vacuum cleaner or by wet-brushing and place in container for disposal according to local regulations

Environmental exposure controls Dilute with water. Keep away from ignition sources. Perform waste disposal in compliance with all applicable regulations. Flush down sewer with large quantities of water

Dangerous Goods - Initial Emergency Response Guide No: Not applicable

Key Transport Info

U.N. Number: N Av

DG Class: N Av

HAZCHEM Code: N Av

Packaging group: N Av

Poison Schedule: N Av

7. HANDLING AND STORAGE

Handling: Avoid excessive skin contact. Avoid eye contact.

Storage: Store in a cool, dry, well-ventilated place and out of direct sunlight. Store away from foodstuffs. Store away from incompatible materials described in Section 10. Keep containers closed when not in use - check regularly for spills.

Comments: Product is designed for regular use by consumers. Under normal conditions of use no special protection is required. DO NOT Flush down a toilet

7. EXPOSURE CONTROLS / PERSONAL PROTECTION

Emergency Overview: May produce transient eye irritation.

Ingestion of large amounts may produce irritation

Potential Health Effects: Eye - May produce transient eye irritation.

Skin - NA Inhalation -

NA Ingestion - Ingestion of large amounts may produce irritation.

FIRST AID MEASURES • Eye - Rinse thoroughly with water. • Oral irritation - Discontinue use, see MD if symptoms persist. • Skin - Rinse with water. • Intoxication - Seek medical attention.

9. PHYSICAL AND CHEMICAL PROPERTIES

Form / Color / Odor: White/ off white liquid

Specific Gravity (20 °C): 1.0 of liquid

Relative Vapor Density (air=1): N Av

Vapor Pressure (20 °C): N Av

Flash Point (°C): N Av

Flammability Limits (%): N Av
Autoignition Temperature (°C): N Av
Melting Point/Range (°C): N Av
Boiling Point/Range (°C): N Av
pH 1% Solution N App
(Typical values only - consult specification sheet)
N Av = Not available N App = Not applicable

10. STABILITY AND REACTIVITY

Chemical stability: This material is stable when stored and used as directed. Stable under normal conditions of use. Stable at ambient temperature.

Hazardous decomposition products: No information available.

Hazardous reactions: No information available.

11. TOXICOLOGICAL INFORMATION

There is no direct data on the product itself. However, review of data on components suggests it is more than safe when used according to use-recommended guidelines. For precaution, prevent from entering sewer or waterway. This material is not expected to be harmful to aquatic life.

12. ECOLOGICAL INFORMATION

Ecotoxicity: This material has been moderately toxic to aqueous organisms on an acute basis (LC50/ EC50 between 1 and 10 mg/ L in the most sensitive species tested).

Persistence and degradability: Not Available

Mobility: No information available.

13. DISPOSAL CONSIDERATIONS

Do not dump into any sewers, on the ground, or into any body of water. All disposal practices must be in compliance with Federal, State/ provincial and local laws and regulations. Waste characterizations and compliance with applicable laws are the responsibility solely of the waste generator. As a supplier we have no control over the management practices or manufacturing process of parties handling or using this material. The information presented here refers only to the products shipped in its intended condition as described in the MSDS section. Refer to State/Territory Land Waste Management Authority for guidance in all disposals.

14. TRANSPORT INFORMATION

Products covered by this MSDS, in their original form, are not regulated for transportation.

Ground Transport (US DOT): Not regulated

Air Transport (IATA) : Not regulated

Marine/Water Transport (IMDG) : Not regulated

15. REGULATORY INFORMATION

Poisons Schedule: US Toxic Substance Control Act: All component of this product are on the TSCA inventory or are exempt from the TSCA inventory Requirements under 40 CFR 720.30

16. OTHER INFORMATION

This Material Safety Data Sheet has been prepared by High Q Service in accordance with the OSHA Hazards Communication Standard, 29 CFR 1910.1200. All information, recommendations & suggestions appearing herein concerning our product are based upon testes & data believed to be reliable. However, it is the user's responsibility to determine the safety & suitability for his own use of the product described herein. Since the actual use by others is beyond our control, no guarantee, express or implied, is made by High Q Service, Inc., as to the effects of such use, the results to be obtained, or the safety and toxicity of the product. Nor does High Q Service, Inc., assume any liability arising out of the use, by others, of the product referred to herein. The information herein is not to be construed as absolutely complete since the additional information is necessary or desirable when particular or exceptional conditions or circumstances exist or because of the applicable laws or government regulations.

Confidentiality

Customer or Distributor or Representative will receive and maintain in confidence all proprietary information, trade secrets, and other know-how received from or provided by Company. For the purposes of this Safety Data Sheet, all information, quotations, Safety Data Sheets (SDS), Material Safety Data Sheet, price lists, invoices, order acknowledgments, reports, product components and processes, and all technical data are considered confidential. Customer/ Distributor/ Representative agrees that it will use confidential information only for purposes within the scope of this SDS. Customer or Distributor or Representative shall not take nor retain any papers, electronic data, customer lists, fee books, customer records, customer information, files, other documents, copies thereof, or other confidential information of any kind belonging to Company pertaining to Customer or Distributor or Representative's Customers, Company's customers, business, sales, financial condition, services, or products. Without limiting other possible remedies to Company for the breach of these covenants, Customer or Distributor or Representative agrees that injunctive or other equitable relief shall be available to enforce these covenants, such relief to be without the necessity of posting a bond, cash, or otherwise. Customer or Distributor or Representative further agrees that if any restriction in this Section 7 is held by any court to be unenforceable or unreasonable, a lesser restriction shall be enforced in its place and the remaining restrictions this paragraph shall be enforced independently of each other.
